

Hello Family and Friends:

Sponsors and participants are the heart and soul of the Kuyahoorra Valley Foundation. With that in mind we are embarking on the 36th Annual Coffin Family and Friends week from July 15-20, 2024 and looking to raise \$35,000 during the week to support the causes seen on the following pages.

We can't meet our goal without the help of people like you and companies like yours.

To provide some background the following is a history of the Kuyahoorra Valley Foundation:

The seed for the Kuyahoorra Valley Foundation was planted on June 12th, 1987. This was the wedding day of Ike Coffin and Kelly Bowers. Ike, the oldest of 13 siblings, arranged for a small (?) group of friends and family to play golf at the Golf Club of Newport in Newport, NY. What transpired from that day was not only a successful marriage, but the makings of a small-town mid-summer classic, appropriately named the Coffin Family & Friends Golf Invitational, in the picturesque Kuyahoorra Valley located in Central New York.

Thinking it was a great idea to get friends and family together, Ike's thoughts turned to organizing a yearly golf event and in time raise money for charity causes. Two years later, the first outing was organized.

In the following years, the Coffin Family & Friends Golf Invitational has grown by leaps and bounds. As many as 288 golfers have participated in a single event.

In 1998, the Memorial Atlanta Classic (the "MAC Daddy") golf tournament was added, and the Coffin & Friends Tour was born. The tour has evolved into a way of also helping those in need in our local communities and sharing "Small Town Values for Life". In 2000, the Coffin & Friends Tour Championship in Virginia Beach, VA was added as the third Major.

The Kuyahoor Valley Foundation received its official 501(c)3 tax-exempt status in 2004 as a non-profit organization. In planning each event, we strive to reach four goals:

1. To help those less fortunate.
2. To have a great time with friends and family.
3. To relish the great game of GOLF.
4. To give just a little something back.

Over the past 36 years, the Kuyahoor Valley Foundation has raised and donated over \$700,000 to various charitable organizations and to neighbors and friends with special needs. This is a not just a credit to the organizers and volunteers, but to the golfers and sponsors who are more and more generous each year.

Without the dedication of family and friends, the generosity of our individuals and sponsors, the Kuyahoor Valley Foundation would not be the great success that it is – making each event like no other.

In appreciation of your anticipated donation, we would like to offer you the incentives found in this brochure on our sponsorship page. We hope we can count on you to make this year's event one of our best yet! We hope to see you at the Coffin Family and Friends Invitational!

You can donate online at kuyhooravalley.org or send a check to the KVF at P.O Box 244 Newport, NY 13416.

Our heartfelt, THANKS-
Coffin Family -CFF Organizers
